Facebook/Google/Twitter Cartel's Desperate Attacks On The Truth

"Facebook, Google, Twitter, Linkedin, Snapchat, Ebay are operated by a Cartel of infantile fraternity house yuppie elitist males who will engage in crimes and lies to protect their tax evasion, stock market rigging and political manipulation schemes. They need a complete FTC investigation.."

"...Whether you are left-wing or right-wing you must know the truth that Schmidt, Page, Musk and Zuckerberg get tens of billions of dollars from Obama and their entire motivation is greed and political power. They are NOTHING about social issues.
